Inter-Office Memorandum**

To: William Anderson
Chief of Police

CC: Captain Timothy Splain
Administrative Services Division

From: Lt. Janice Hawkins
Adam District Commander

Date: May 30, 2013

Subject: May 2013 Quarterly Audit

On May 14, 2012, I conducted an audit of the property room which is currently being used for processing and storage of evidence and other property. A random sample of 150 items was generated by Crime Analyst Ed Eads and provided for my use in the audit. A total of 75 sensitive items (cash/jewelry, guns, and drugs) and 75 non-sensitive items were selected for examination. Each item was retrieved from storage by Property Control personnel and presented for inspection. A few items were inspected in their storage locations. Items were verified for accountability only and none of the items were opened. A log sheet of items inspected was created and a copy is attached to this memorandum. The log sheet was amended by hand to reflect the type and number of the items listed. In instances where property was released to forensics for testing, to another agency or to the owner, documentation of the items' status has been included as an attachment.

Assisting with the evidence inspection and verification of items:
Lt Janice Hawkins
Tim Scapin, Evidence & Property Manager
Officer Mike Godwin

Property Control employees assisting with the retrieval of items:
Officer Phil Murfin
Officer Lynn Wilson

All property included in the random selection was intact and accounted for with the following exceptions:
See Attached Memorandums

Alarm testing and scale calibration was verified as noted on the log.

MEMORANDUM

From: Timothy P. Scapin, Evidence & Property Manager

Date: May 14, 2013

Subject: May 2013 Quarterly Audit – Item Issue

Upon conducting the quarterly audit on May 14, it was discovered that the following item was not found in its designated location as listed in RMS.

Case Number: 12-001015 Property Number: 67035
Description: (2) Plastic BB Guns

Further review revealed the questioned item was originally categorized as safekeeping/eligible for release by the seizing officer (Officer J.D. May) and received by Evidence Section personnel on 01-12-2012. On December 10, 2012 a letter was generated in an effort to notify the owner his item was authorized for release. Per North Carolina State Statute 15-12 any such item that remains unclaimed may be disposed of after 180 day retention period. In this instance, this period was met without exception.

Officer Mike Godwin, who is assigned to the Evidence Section, recalls processing the item in question during a recent destruction. He believes that he physically removed this item from inventory and scanned the barcode for entry in a RMS custody. Apparently during this transaction a computer error occurred which excluded the entry of this item into that particular custody, thus erroneously showing the item still in inventory. This error was not recognized at that time and the item was destroyed.

From: Lt. Janice Hawkins, Adam District Commander
Date: May 30, 2013
Subject: May 2013 Quarterly Audit – Item Issue

Upon conducting the quarterly audit on May 14, it was discovered that the following item was not in the possession of the Property and Evidence department.

Case Number: 12:005914 Property Item Number: 69115
Description: 2006 Grey Dodge Charger

Further review revealed that this vehicle was towed to the Asheville Police Department by Blair Towing and Recovery on February 28, 2012. The vehicle owner, Anthony Wilson, signed a consent form authorizing a search of the vehicle on the same date. According to jail records, on March 2, 2012 around 1650hrs, Wilson was released from the Buncombe County Detention facility. Detective Martinez reports that he and Detective Rikard met with Wilson at the police department and released his vehicle to him on that date. In a supplemental report to the case, Detective Martinez referenced that a Junea Ruff was driving the same vehicle on March 3, 2012 at 0334hrs.

At the time of the quarterly audit it was discovered that the vehicle was listed on the same voucher as the property seized from the vehicle, and was thus entered into the RMS voucher system though not physically in the custody of the Evidence and Property department. The attached documentation and statement from Detective Martinez support the assertion that the vehicle has been released to Wilson.

Janice,

I have spent over an hour combing through the case file and I found the following:

The original tow sheet

The consent to search form from that night

The reference to the release in FST Morris' email on March 2nd

Det. Rikard and I released the vehicle to Anthony Wilson on March 2nd, 2012 after he bonded out of jail on a pre-trial release and before he was re-arrested and charged with Harrison's murder.

I can only assume that the back page of the original tow sheet contains the release signature. That should be in , property. I have been unable to locate a copy of it.

I hope this helps.
